## Mode of team championships

**Admittance:** All registered teams participate in the team championships in their respective categories.

**Mode and ranking:** The scores of all finished rounds in the category are added up for the ranking of team championships.

The number of rounds for team competition can be reduced to 6 (3+3) by the decision of jury before the tournament. If such decision is made, it will be announced at the coach meeting latest. Furthermore, if it is not possible to finish the scheduled 8 rounds of the team competition by the end of day 2, the jury has the right to cut the number of rounds to 7 or 6.

If at least six rounds of the team competition have not been finished by the end of day 2, the team competition will be continued on the day 3 and the intermediate round of individual strokeplay championships will possibly be cancelled.

Deadline for the end of team competition is 2.00 pm on day 3. All fully completed team rounds are counted for the respective category.

## Mode of individual strokeplay championships

**Admittance:** All registered players participate in the individual strokeplay championship in their respective categories.

**Cut for the final round:** The best 9 players of category women after the intermediate round (and players with equal scores)  
The best 15 players of the category men after the intermediate round (and players with equal scores)

**Mode and ranking:** All finished rounds of the team competition and the intermediate round are the preliminary rounds of the individual strokeplay championships. If the team competitions have not been finished in scheduled time, the intermediate round will possibly be cancelled or cut.

The final round is played in pairings of three players.

The scores of the preliminary rounds and the final round are added up for the ranking of individual strokeplay championships. If the intermediate round has not been finished in scheduled time, the final round can be cut to be played on less than 36 lanes.

## Mode of individual matchplay championships

**Admittance:** First 16 women and 32 men according to the results of the qualification rounds (team competition rounds + intermediate round of individual strokeplay championships) are qualified.

For equal scores at the cut there will be a sudden-death beginning at lane 1 at course A.

In case of equal scores among the qualified players, the ranking order of the players and thus the places in the final table are defined by the WMF sport rules (chapter 2.3.9.4) for scoring and play-offs. If there still is a tie between two or more players after counting all the differences, a coin toss or other way of draw has to be made for deciding these ranks. The mentioned WMF sport rules apply even to the players qualified by sudden-death – their ranking order is decided by those rules, not by the results of the sudden-death.

The results of the final round of individual strokeplay competition do not affect the rankings for the matchplay finals. The grid for matchplay championships is defined according to the results after the intermediate round.

Brackets for the individual matchplay finals of women and men youth are presented on the following pages.

If any qualified player doesn't appear at the start for any reason whatsoever, there is no replacement by the next player of the ranking list after qualification rounds. His/her place in the table remains empty and other players keep their original places.

**Lanes to be played:** 9 lanes felt / course A  
9 lanes miniaturegolf / course B  
The lanes will be chosen by the tournament jury. The decision regarding the lanes which are played will be published at the coach meeting.

**Mode and ranking:** All rounds are played as matchplay.  
Matches until semi-finals are played with shotgun start.  
For starting lanes, see play-off charts.  
Semi-finals, finals and matches for rank 3 are started at lane 1 of course B (in order: women, men), one match after the other.  
The higher-ranked player after the qualification rounds in the pairing always plays first on the starting lane of the match. After that, the leading player in the match always starts the next lane. If there is currently no leader in the match the playing order remains unchanged until there is a leader and thus possibly a new starting player. This also applies for the first lane of the sudden-death playoffs in the matchplay. The following lanes are played according to the general sudden-death rule (the starting player changes at every lane).  
Number of won lanes decides about the winner (matchplay mode), who proceeds to the next round. In case of equal number of won lanes after full 18 lanes (or fewer if the number of played lanes has been cut due to weather), the match is continued at the next of the chosen lanes until a player wins one lane.  
A match has to be stopped earlier than after 18 lanes, as soon as one player has already won the match mathematically.  
Play at a lane has to be stopped as soon there is a winner for the lane.  
Losers of the same round are finally ranked according to their total results of qualification rounds.

**Bad weather conditions:** In case of bad weather conditions during the **individual matchplay finals**, rounds are cancelled in a way, that a chance for a real final always remains. **First option** is to cut the first round for male youth and to start with 16 male youth players. **Second option** is to change the number of lanes for each round if necessary. The minimum number of lanes played per round is 12. It is possible to play same lanes more than once during a round, if this helps to complete the competition (for example 2 x 6 lanes). It is also possible that these lanes are on one course only (for example, 2 x 6 lanes miniaturegolf covered by tents), but if possible, the option of playing both courses must be preferred.  
The decisions for any changes are done by the jury of the championships.

**Terminal abandonment during individual matchplay finals:**

**In case of terminal abandonment during any round before finals (until all matches of the round in one category have been completed):** The matchplay championship of such category is completely cancelled and there is no ranking at all.

**In case of terminal abandonment during final match and/or match for rank 3:** Both finalists will receive a gold medal and/or both players in the match for rank 3 will receive a bronze medal.

**Penalty system:**

The standard system described in WMF worldwide international sport rules chapter 2.3.18 is used in the **team competition and individual strokeplay competition**. All penalties from the qualification rounds of the individual strokeplay competition are carried forward to the individual strokeplay final round.

The following penalty system is applied for the **individual matchplay finals**:

No penalties from the qualification rounds are carried forward to the matchplay finals.

First step is a written pre-warning with no consequences.

For all following violations, the player in question loses the next undecided lane (meaning the next lane, which has no winner yet).

Referees have the possibility to skip the pre-warning level in case of severe or tactical violations.

All penalties are also announced on the scoreboard.

**Coaches:**

Maximum of two coaches per nation are allowed on each course during all competitions, regardless of the number of participating players of the nation.
